

Tribute to Kimmy

Dear Santy,

Please accept our deepest sympathies. Kimmie was an inspiration to us all, as were you. She fought with remarkable courage, tenacity and grace. You were an incredible support and Kimmie was very fortunate to have you by her side every step of the journey. We will honor her legacy with our ongoing research in the laboratory and the clinic to improve outcome for those afflicted with these devastating tumors. My thoughts and prayers are with you and your family Santy. Love R

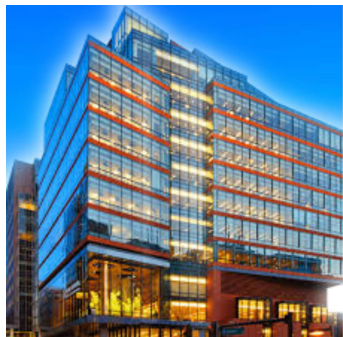

Dears,

I was so sorry to hear of Kimmy's passing. As you know, Kimmy has always been very special to me and it has been my great privilege to get to know her (and you) so well over the past few years. She fought this tumor with such grace and courage. I always admired her fearless spirit! I will never forget Kimmy and will try to take her fearless spirit with me in life.

Our deepest sympathy to your family
in this time of sorrow.
Sending all the love, xo xo, M♡

Dear Santy,

We were heartbroken to hear of Kimmy's death. My most heartfelt sympathies to you and your family. Kimmy was a true joy to know, and I cherish every visit I had with her. She had a warmth and a smile that lit up a room and made you feel special. She will be missed more than can be put into words. She was beyond blessed to have a loving partner such as you. We will keep you in our thoughts. Love, Jenn

Tribute to Kimmy

Lori & Brian Santiago, First, we are so sorry for your loss. The website is a beautiful tribute to Kim. I have some pictures of her. There is a nice one of the two of you. You are in our thoughts and prayers,

Janet Santiago and (in spirit) our dear, sweet Kimmy, What a beautiful tribute to a life well lived.... she accomplished many things in her life. Reading this, I learned so much about her. I knew she went to Emanuel but did not know she did so well academically and graduated with a psychology degree as well as theology! No wonder she had such understanding and compassion for people. She always made me feel like I was ten feet tall!

Kim experienced many things but the “people” industry was where she shined and found much satisfaction.

I remember when I first met her and she told me about how she met and married you. She was so happy telling that story and it was very apparent as I saw you two together over the years that you shared not just a friendship but a deep love and devotion for each other. How blessed you both were to have shared that together.

Personally, I feel blessed to have known Kim... She will always be a sweet memory. I remember going to Siros a couple of times to say hello when she was working. I was always greeted with a smile, genuinely happy to see me, and yes, of course treating me to a drink!

I can only imagine how sad you are feeling..... But know, you were blessed with a great love and she will always be watching over you.

Jill Santiago, I'm so sorry for your loss. Kim was such an incredibly kind, wonderful person. She will be greatly missed. You are in my thoughts and prayers.

Bill & Elena Santi, We will keep Kim in thoughts and prayers during this time of loss. Remember the good times together to help you now and going forward. Those memories will keep the and bring a smile to your face in the difficult days ahead. If you need anything, please reach out. A Beautiful Lady

Kerri My Dearest Friends, I am thinking of all the great times that we have shared together, and feeling so grateful for you being a big part of my life.

We have had so many laughs, including belly laughing and crying (some of these pictures capture those moments). I can still remember cleaning the outside bar that night, how even Coors Light Dave wouldn't take a beer from that dirty fridge. All the New Year's Eve celebrations, wine, sangria, shrimps and filets!!

Please accept my deepest condolences, and know that you are in my family's hearts and prayers. I will remain in touch. Stay strong, and know that I am here for you.

Margie Dearest Angel Kim, there you are with your beautiful sister Mary plus the many other family members who have joyously met with Jesus and His (and our) Mother Mary! It will always be hard for we who are left behind to let go. But, for the unbelievable happiness and joy, we cannot even comprehend here on earth, how can we not feel some peace knowing this is now your eternity.

Well God designed it that way or we would fly to be at your side! Now we must wait for that day and though it hurts, we know it will be the most wonderful happiness. I know you will watch over your family and especially your Mom, who never loses her faith.

Pray for us all Kim, as we do for you.

Love, your old friend, Margie

Sofia Santy, me da mucha pena y dolor saber lo que paso con Kimmy ella siempre fue una mujer que luchaba por salir adelante, Cuando ella estaba en el hospital a los Doctores y enfermeras, siempre nos daba una muestra de atencion y carino. Me alegra mucho haber tenido la oportunidad de conocerla, que en paz descanse.
